The Legend of the DOGWOOD

There is a legend, that at the time of the Crucifixion the dogwood had been the size of the oak and other forest trees. So firm and strong was the tree that it was chosen as the timber for the cross. To be used thus for such a cruel purpose greatly distressed the tree, and Jesus, nailed upon it, sensed this, and in His gentle pity for all sorrow and suffering said to it:

"Because of your regret and pity for My suffering, never again shall the dogwood tree grow large enough to be used as a cross. Henceforth it shall be slender and bent and twisted and its blossoms shall be in the form of a cross . . . two long and two short petals. And in the center of the outer edge of each petal there will be nail prints, brown with rust and stained with red, and in the center of the flower will be a crown of thorns, and all who see it will remember . . . that it was upon a dogwood tree I was crucified and this tree shall not be mutilated or destroyed, but cherished as a reminder of My death upon the cross."

**SEE planting instructions of DOGWOOD
on inside of back cover.**

To The Wholesale Trade

We are grateful for your business the past Season. It is because of your patronage and appreciation of Quality Stock that we continue to strive to deliver the very best Nursery Stock possible.

As always, we extend to you an invitation to visit us any time you are in our vicinity. You are always welcome.

Sincerely yours,

TENNESSEE VALLEY NURSERY

Terms and Conditions of Sale

This list cancels all previous quotations

PRICES—All prices are f.o.b. Winchester, Tennessee. **Boxing or Baling are extra, at cost**, on less than carload and truck load shipments. No charge for packing car or truck loads. Prices are subject to change without notice.

TERMS—To those of **established credit**, we offer **2% discount 10 days, 30 days net from date of invoice**. Cash, security or satisfactory references are required from unknown parties. Where cash accompanies order, packing is free. **C. O. D. Orders** must be accompanied by at least 25% of purchase. 6% interest charged on past due accounts.

CLAIMS—All claims must be made within ten days after receipt of stock.

SHIPPING INSTRUCTIONS—Please give shipping instructions whether via parcel post, freight, express or truck, and routing. If no instructions are given, we will ship to the best of our judgment without assuming responsibility.

SEASON—Normally our digging and shipping season extends from October 1 to April 15. Shipment of Bare Rooted stock recommended from November 1 to March 15.

GUARANTEE—We accept all orders subject to crop conditions and we reserve the right to cancel a portion of the stock, or all thereof, should injury befall our stock from hail, wind-storm, frost, other weather conditions, error in count, insect and disease injury, or other natural causes beyond our control. We are careful to keep our varieties true to name and will replace any portion of the stock that may prove otherwise, or refund the price paid for such portions. It is agreed that the original price shall be the maximum damages the purchaser is entitled to.

TRANSPORTATION RISKS—Our stock is packed with the greatest of care; therefore, **our responsibility ends upon delivery in good order to carrier**. All stock travels at the purchaser's risk and expense.

TRUCK SERVICE—Local delivery Trucks and Trailers are available. Some are insulated. The average charge is from 40 to 45 cents per mile one way.

BROADLEAF EVERGREENS

ABELIA grandiflora

Glossy Abelia

Semi-evergreen shrub, with dark green, glossy foliage. Pink, fading to white, bell shaped flowers from early Spring until Frost.

BROADLEAF EVERGREENS—Continued

LIGUSTRUM lucidum macrophyllum — Wax Leafed Privet

Hardest of the wax leafed privets. Withstands winters as far north as Washington, D. C.

		Each Per 10	Each Per 100
18-24"	B & B	\$1.25	\$1.00
2- 3'	B & B	1.75	1.50
3- 3½'	B & B	2.25	2.00

sinensis pendula—Weeping Chinese Privet

This is a weeping form of the popular Chinese privet. Evergreen, developing into a fountain like mass of greenery. One of the best privets for hedges.

2- 3'	B & B	1.50	1.25
3- 4'	B & B	2.00	1.75

MAGNOLIA grandiflora Southern Magnolia

The most popular evergreen tree of the South. Big, glossy green leaves and large, creamy white fragrant blossoms.

2- 3'	B & B	2.25	2.00
3- 4'	B & B	3.25	3.00
4- 5'	B & B	4.25	4.00
5- 6'	B & B	5.25	5.00
6- 8'	B & B	7.50	—

MAHONIA pinnata (fascicularis)

Much more attractive than Mahonia aquifolium. Foliage is similar except for a bright blue cast on mature leaves and bright red new growth throughout the Summer. The blue effect is usually held all Winter, with very little of the bronzing seen on aquifolium. Will grow in full sun, keeping foliage to the ground. Makes a compact shrub about 4 feet high.

15-18"	B & B	2.75	2.50
18-24"	B & B	3.25	3.00
24-30"	B & B	4.25	4.00

NANDINA domestica Nandina

Semi-evergreen shrub. Leaves turn crimson in Fall, which is a beautiful background for the clusters of red berries.

15-18"	B & B	1.25	1.00
18-24"	B & B	1.50	1.25
24-30"	B & B	1.75	1.50
30-36"	B & B	2.25	2.00

Order your Cornus florida rubra liners NOW!

BROADLEAF EVERGREENS—Continued

Magnolia Grandiflora

PHOTINIA serrulata Chinese Photinia

Large green serrated leaves, fast grower. Clusters of small white flowers in summer, followed by scarlet berries.

	Each Per 10	Each Per 100
2- 3' B & B	\$1.75	\$1.50
3- 4' B & B	2.25	2.00
4- 5' B & B	3.50	3.00

PRIVET, Weeping — See Ligustrum sinensis

VIBURNUM burkwoodi Burkwood's Viburnum

Often called "Evergreen Carlesi." The glossy green leaves hold on most of the Winter, but fall as Spring approaches. Clusters of very fragrant, pink-tinged, white blossoms. Hardy.

12-18" Bare Root90	.75
18-24" B & B	2.25	2.00
24-30" B & B	2.75	2.50
30-36" B & B	3.25	—

CONIFERS

BIOTA—See *Thuja orientalis*

JUNIPERUS chinensis armstrongi **Armstrong**
Juniper

The most outstanding and semi-erect conifer with a symmetrical birdnest-like habit of growth. Slower grower than Pfitzer with bright green foliage.

	Each Per 10	Each Per 100
12-15" B & B	\$1.75	\$1.50
15-18" B & B	2.25	2.00

Block of Pfitzer Juniper

Have you ordered your Cherokee Chief liners?

CONIFERS—Continued

JUNIPERUS chinensis pfitzeriana **Pfitzer**
Juniper

The most popular of the spreading Junipers. Beautiful gray-green foliage. Will grow in almost any location.

	Each Per 10	Each Per 100
15-18" B & B	\$1.75	\$1.50
18-24" B & B	2.25	2.00

A NEW AND
DISTINCTIVE
RED-FLOWERING
DOGWOOD

Once IN A GREAT WHILE,

the wonderful workings of nature produce a truly outstanding plant possessing the good traits of its parents and further endowed with beauty and merit far beyond that of its predecessors. Such a plant is "CHEROKEE CHIEF"—a truly red—Red-Flowering Dogwood (*Cornus Florida Rubra*) with excellent growth and outstanding foliage characteristics.

• NEW • DIFFERENT • OUTSTANDING

▼ BLOOMS A BEAUTIFUL DEEP RED

A clean rich ruby red that holds up throughout blooming period

▼ NEW GROWTH A BRIGHT RED

In spring and early summer the new growth is a bright red, much deeper than ordinary, reflecting the deeper color of the blossoms. Fall coloring is bright scarlet shading to green.

▼ EXCELLENT GROWER

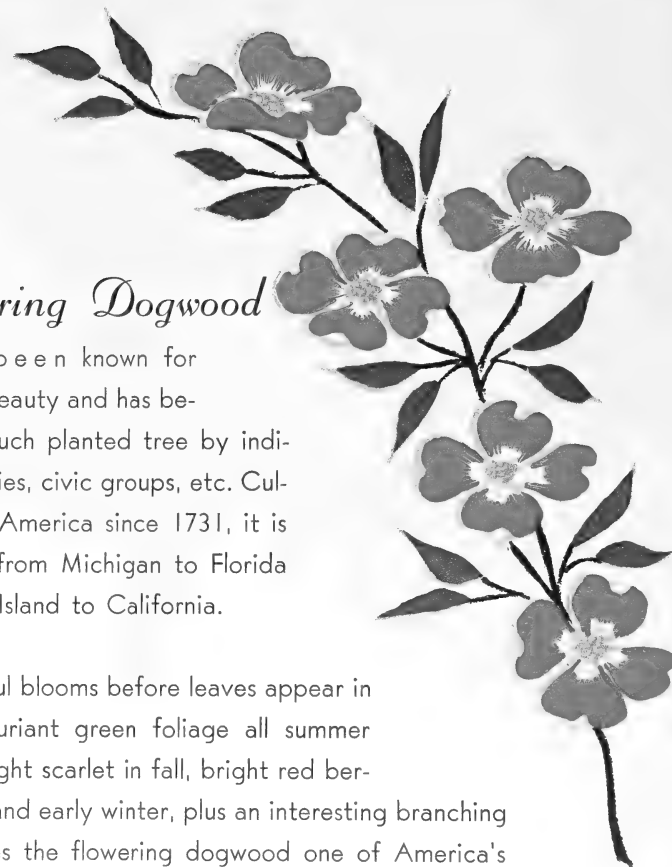

A strong clean grower with dominant leader and uniform branching habits.

Flowering Dogwood

has long been known for its great beauty and has become a much planted tree by individuals, cities, civic groups, etc. Cultivated in America since 1731, it is now used from Michigan to Florida and Long Island to California.

Colorful blooms before leaves appear in spring, luxuriant green foliage all summer turning bright scarlet in fall, bright red berries in fall and early winter, plus an interesting branching habit makes the flowering dogwood one of America's most handsome trees with a special interest for every season of the year.

The new "CHEROKEE CHIEF" gives you all the above plus the deeper color of its blooms and foliage and its excellent growth characteristics. For the first time a truly outstanding—really red—Red-Flowering Dogwood.

CHEROKEE CHIEF

Here's the Signal!

TO BOOST YOUR SALES

Cash in on "CHEROKEE CHIEF"
by presenting this outstanding new Red-
Flowering Dogwood to YOUR buying public.

PLACE Your order early to assure your supply of this

WINCHESTER, TENNESSEE

DOGWOOD

Planting Instructions

Do Not Bury! Plant ME Shallow.

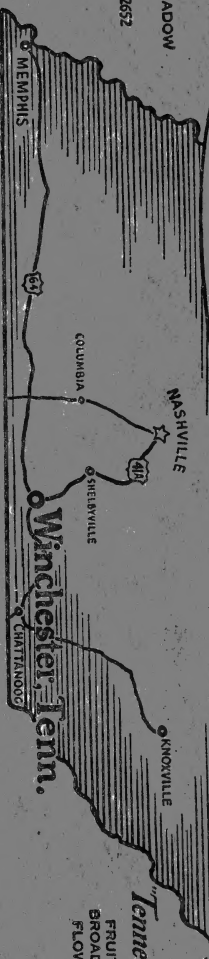

Never plant a dogwood deeper than it stood in the nursery row.

1. If bare rooted, dig hole large enough to accommodate roots without crowding and deep enough to set tree same depth it grew in nursery row. Bruised or broken roots, or stems, should be cut off clean.
2. Fill hole half full of good rich soil, using no fertilizer. Spread the roots and cover with loose top soil, working soil well underneath to prevent leaving air spaces.
3. Finish filling hole and tamp soil firmly. Water well.
4. If B&B, dig hole a foot larger and 6 inches deeper than ball of earth. Set tree same depth it grew in the nursery row, using top soil for back fill. Tamp soil firmly. Water well.
5. Mulch with 2 inches of barnyard manure, peat moss, leafmold or well rotted sawdust.
6. Wrap trunk with paper or burlap from ground to lower limbs to prevent sun scald.
7. Water thoroughly once a week. Do Not sprinkle — SOAK!
